Top and collar lining

Imitation leather, 60% PL/ 40% PU, black, 2.0 mm thick

Lining

Seam sealed 3 ply laminate (GORE-TEX® Pearl) bootie construction:

Layer 1 – Abrasion-proof lining 70% PA / 30% PES

Layer 2 - Waterproof and water vapour permeable ePTE membrane

Layer 3 – Backing fabric knit 100% PA

Reflecting parts

Side band 2 cm wide and heel inserts of top quality reflecting material coated with transparent plastic material.

Toe cap

1.3 mm resinated synthetic bonded fabric, thermally mouldable.

Heel cap

1.8 mm resinated synthetic bonded fabric, thermally mouldable.

Ankle protection

Heat moulded synthetic material with shock-absorbing properties

Zipper

8 mm wide, with plastic teeth

Straps fastening

First quality Velcro material

Shift pad

Made out of soft 100% PU

Sewing thread

Polyester thread, 20/3 title, water-repellent treated, black

Laces

Round black lace, water-repellent treated

Eyelets

Non rusting steel with 4 mm diameter hole

Foot-bed

Anatomically shaped, 1.8 mm thick, made out of genuine leather, with an insert of EVA foam on the heel.

Insole

About 3.8 mm thick insole made out of special penetration resistant multilayer textile material "Zero mm perforation" according to the Standard EN 12568:2010. In the heel area is positioned a polymeric material shank hold by a felt reinforcement extending for 75% of the bottom surface.

Sole

Rubber sole, antistatic, oil and petrol resistant, with shock-absorbent heel.

Resistant to contact heat (tested at 300°C) and slip resistant SRC.

Weight/pair

abt. 1830 (size 42)

Back height

abt. 42 cm (sole included) (size 42)

CE certificate

UNI EN ISO 20347:2012 O3 WR HI HRO FO AN SRC

UNI EN 13634:2011 WR FO B SRC

Category II P.P.E.

Size range

36 - 49
